
KAZI MEHERUNNESA EVA

Mirpur 1, Dhaka-1216 | +8801941789426 | meherunnesaeva970@gmail.com

SUMMARY

Academically motivated Computer Science graduate with strong foundations in algorithms, data structures, machine learning, and artificial intelligence. Currently working as a Research Assistant in an NLP and ML research lab, with experience in supervising students and contributing to peer-reviewed research. Passionate about teaching, mentoring students, and fostering analytical thinking. Committed to academic excellence and continuous research development in AI and data science.

PROFILES

ResearchGate: www.researchgate.net/profile/Kazi-Eva-2

LinkedIn: www.linkedin.com/in/meherunnesa-eva-5504d/

EDUCATION

Master of Science: Computer Science and Engineering, Expected in 04/2027

Daffodil International University

Department of Computer Science and Engineering – Major in Data Science

Bachelor of Science: Computer Science and Engineering, 12/2025

Daffodil International University

Department of Computer Science and Engineering

GPA: 3.88 / 4.00

Higher Secondary Certificate: Science, 07/2020

Shaheed Bir Uttam Lt Anwar Girls' College

GPA: 5.00 / 5.00

Secondary School Certificate: Science, 05/2018

Monipur High School and College

GPA: 5.00 / 5.00

EXPERIENCE

Research Assistant – DIU NLP & ML Research Lab, 10/2025 - Current

Daffodil International University

- Collaborating with faculty members on NLP and ML model development, data preprocessing, and experimental evaluation for research publications.
- Assisted in mentoring undergraduate students in implementing ML and NLP projects.
- Guided students in understanding research methodologies and technical problem-solving.

Undergraduate Thesis
Daffodil International University

- Conducted thesis research on emotion detection by developing a novel emotion classification dataset for code-mixed Banglish text and ensuring annotation consistency and labeling reliability.
- Collaborated with psychology domain experts to design, validate, and refine emotion annotation guidelines

SKILLS

Technical Skills

- Programming: Python, C/C++
- Database & Query Languages: SQL (MySQL)
- AI & ML: Machine Learning, Deep Learning, NLP
- Frameworks: PyTorch, Hugging Face, Scikit-learn
- Data Processing & Visualization: Pandas, NumPy, EDA, Power BI

Academic Strengths

- Algorithms & Data Structures
- Mathematical foundations for ML
- Research methodology
- Technical report writing

PUBLICATIONS

Conference paper: **Kazi Meherunnesa Eva***, Fardin Ahmed Alvi, Sadman Sadik Khan, Mahir Al Imran Sagor, Kazi Meherunnesa Dola, and Md. Shahariar Jahangir, “*Detecting Emotions Using Transformer-Based Models in Transliterated Bangla (Banglish) Text*,” Proceedings of the 16th IEEE International Conference on Computing, Communication and Networking Technologies (ICCCNT, India), accepted, July 2025, Indexed in Scopus.

INTERESTS

Research interests include applied Artificial Intelligence, Machine Learning, and secure AI-driven systems for healthcare and pharmaceutical technologies. Interested in Explainable AI (XAI), intelligent pattern recognition, model robustness, and scalable AI deployment in real-world environments.

ACHIEVEMENTS & EXTRACURRICULAR ACTIVITIES

- National Girls Programming Contest 2022 – Main Round Participant
- Unlock the Algorithm, Take Off – Main Round Participant
- 8th Place, DIU Growing Star Competition
